

## CHÂTEAU ALAVERDI 1782

Georgia's winemaking soul — refined for the world.

## Our Story

For 8,000 years, Georgia has been the cradle of wine. Château Alaverdi 1782 carries this timeless heritage forward with a modern, château-level approach. Named in homage to the restoration year of the sacred Alaverdi Monastery, each bottle expresses the land, the light, and the centuries of devotion that define Georgian wine.

At Château Alaverdi 1782, we unite the spiritual depth of Georgia's winemaking tradition with the refinement of European craftsmanship. Every drop is a celebration of authenticity, elegance, and soul.

## Terroir — Kakheti

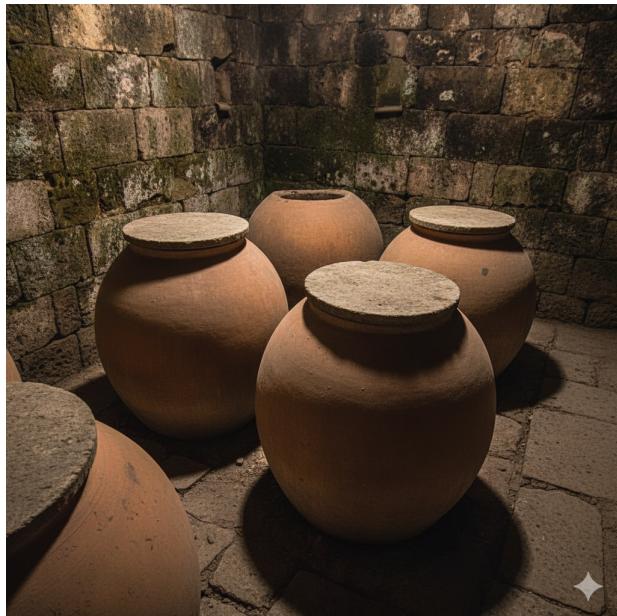

Region: Kakheti, Eastern Georgia — sun-filled valleys, mineral-rich soils, and centuries of winemaking wisdom.

Vineyards: Hand-harvested grapes from family plots around Alaverdi.

Philosophy: Minimal intervention. Maximum expression. True Georgian soul.

## The Craft

Blending ancient qvevri fermentation with modern cellar precision. Qvevri — the clay vessel of Georgia — allows for natural temperature regulation and gentle maceration, producing profound aromas, texture, and longevity.
